**LOADING DOCK 4C: NEW COMPACTORS – DELAY IN WORKS**

Dear Retail Partner,

Further to the memo distributed last week regarding the closure of Load Dock 4C, please be advised there has now been a delay in works to upgrade.

While the upgrade of waste equipment will still be taking place, this will be on hold until further notice. Loading Dock 4C will therefore be operating as usual on Tuesday 15 and Wednesday 16 March

Apologies for any inconvenience this has caused. We will update you once we have new dates confirmed for the upgrades.

Please feel free to contact me if you have any queries or concerns.
