LOADING DOCK 4C: NEW COMPACTORS AND TEMPORARY CLOSURE

Dear Retail Partner,

The Centre is pleased to announce the upgrade of waste equipment within Loading Dock 4C that will see the installation of new general waste and paper/cardboard compactors in place of the existing rear lift rubbish bins. By transitioning away from rear lift bins, the Centre will be able to reduce costs for waste collection and further improve on our monthly recycling targets.

LOADING DOCK CLOSURE

Loading Dock 4C will be required to be closed for the duration of the install so please make note of the timing of this works below and advise your staff of the temporary change in processes. See dates below of closure.

Tuesday 15th March 2022
Wednesday 16th March 2022

LOCATION OF LOADING DOCK

All tenants that utilise Loading Dock 4C (located between Kitten D'Amour and Jo Mercer on Level 2) will be required to dispose of waste and receive deliveries from alternative loading docks that have been highlighted within the site plan provided below.

ALTERNATIVE DELIVERY AND WASTE LOCATIONS

During the closure of Loading Dock 4C, please use the alternatives below.

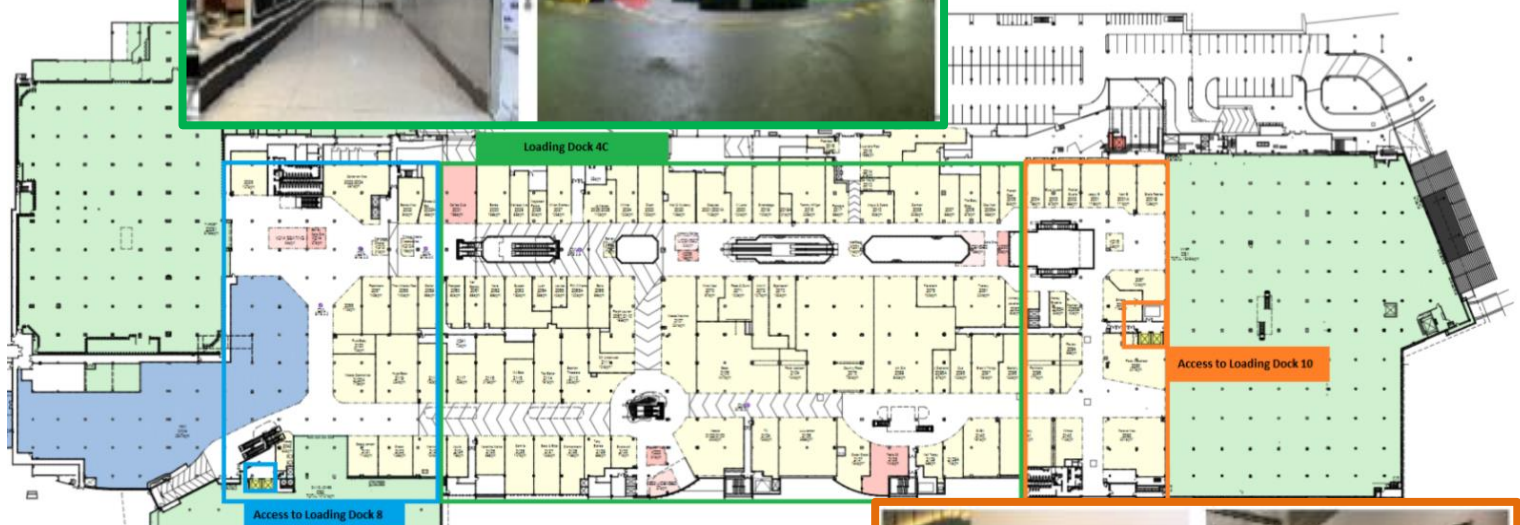

Loading Dock 8 – Accessible via back of house lifts behind H&M
Loading Dock 10 – Accessible via back of house lifts at Myer

See map on the following page for reference.

COMPACTOR TRAINING

The installation of the new compactors will result in the transition away from rear lift bins to promote waste disposal via the rebated compactor systems. As such, **all tenants that have not used the existing compactors before will be required to complete a quick training session** in Loading Dock 4C. Training will be provided on Thursday 17th March 2022, no booking required – just make your way to Loading Dock 4C and see the staff member at the compactor.

LOADING DOCK ACCESS

Please feel free to contact me if you have any queries or concerns.
