Dear Retail Partner,

The QLD Government have announced that face masks are no longer required indoors in most settings as the state has now achieved the 80% first dose vaccination target.

Face masks are still required to be worn on public transport, rideshare, at an airport, and on a domestic or international flight departing or arriving in Queensland.

The QLD Government is encouraging everyone to carry and wear a mask when physically distancing is not possible.

Further information is expected to be updated to the Government website below later in the day:

- [www.covid19.qld.gov.au/government-actions/roadmap-to-easing-queenslands-restrictions](http://www.covid19.qld.gov.au/government-actions/roadmap-to-easing-queenslands-restrictions)

Even though restrictions are easing, we will continue to remain diligent in our cleaning processes and continue to focus on key areas such as hard surfaces and bathrooms. Additionally, we have hand sanitisers located at all entrances for customers and retailers to utilise.

We encourage you to monitor and follow QLD Government advice. To ensure you receive the latest information, alerts and answers to frequently asked questions please visit [www.health.qld.gov.au/](http://www.health.qld.gov.au/)

Please don't hesitate to contact Centre Management at 07 3378 4022 or [reception.indooroopilly@ampcapital.com](mailto:reception.indooroopilly@ampcapital.com) if we can assist you in any way.

Kind regards
