RE: QLD UPDATE TO COVID-19 RESTRICTIONS

Dear Retail Partner,

The QLD Government have announced the Greater Brisbane lockdown will not extend beyond 6pm Monday 11 January. There are still several requirements that will be in place for the centre until at least 1am Friday 22 January, including:

- Masks are to be worn at all times in the centre including within retail stores, supermarkets, cinemas and carparks. Masks are not required when you're eating or drinking or for children under 12 years of age
- Retail stores can accommodate one person per 4 square metres on their premises indoors
- Retail stores with a floor space less than 200 square metres can have one person per 2 square metres, up to 50 people at a time
- Restaurants, Cafes and Food Courts can open for seated eating and drinking, no standing allowed.

We have a small number of masks available for customers who may have forgotten their own. We have increased signage and security to ensure physical distancing, the wearing of masks and other government measures are observed by everyone.

We will be sure to keep you updated as Government announcements are made but we do encourage you to monitor the latest information, alerts and FAQ's by visiting www.health.qld.gov.au

Please don't hesitate to contact Centre Management at (07) 3378 4022 if we can assist you in any way.

Best regards,

Steven Ihm
Centre General Manager
