Subject: QLD COVID-19 CHECK IN APP CHANGES

Dear Retail Partner,

Today the QLD Government introduced changes to the requirement for **Check In QLD App requirements**. Please see below the update requirements:

- Where businesses **are only permitted to allow fully vaccinated** people to attend, **they must continue to collect** contact information and proof of vaccination via the Check In app (or, where the app cannot be used, by suitable alternative means).
- Where businesses are permitted to **allow unvaccinated people** to attend, they will **no longer need to collect** contact information via the Check In app. *please keep your signage should restrictions change in the future and check-ins are required again.

A reminder of the venues that still require Check In's to continue:

- hospitality venues such as **pubs, clubs, taverns, bars, restaurants, cafes and fast food (if dining in) outlets**
- indoor entertainment venues such as nightclubs, live music venues, karaoke bars, concerts, **theatres or cinemas**, casinos
- outdoor entertainment activities such as sporting stadiums or theme parks
- festivals – either indoor or outdoor – such as musical festivals, folk festivals or arts festivals
- activities – either indoor or outdoor – such as convention and entertainment centres and showgrounds
- Queensland Government owned galleries, museums or libraries

Further information is available here <https://www.qld.gov.au/>

Mask requirements are still required at Shopping Centres and we will continue to remain diligent in our cleaning processes and continue to focus on key areas such as hard surfaces and bathrooms. Additionally, we have hand sanitisers located at all entrances for customers and retailers to utilise.

Please don't hesitate to contact Centre Management at 0733 272 810 if we can assist you in any way.

Kind regards

Steven Ihm
Centre General Manager
