CENTRE IMPROVEMENT WORKS UPDATE

VOID INFILL

We will also be filling in part of the void in front of Myer on Level 2 between the two escalators. The infill will then extend the Level 2 floor plate in line with the Level 3 floor plate directly above (as marked on image).

Hoardings will be erected on Level 2 around the worksite on 21 September 2020. The ceilings directly under the Level 2 floor plate (the L1 ceiling) is being removed on 19 September 2020. These works are expected to be completed on 23 October.

TEMPORARY STAIRCASE

Due to the positive feedback from both customers and retailers, we have decided to leave the temporary staircase in place until the end of October 2020.
