We're hosting our first retailer info session for the year! This session will cover the launch of the new Indro brand as well as many big retailer updates for the Centre. We have several new retailers who have joined Indro since our last session, so this will be a great opportunity to meet your fellow retailers and chat to the Centre Management team.

### Times:

- **Session to commence promptly at 12.15pm** and will include Centre updates, performance, upcoming marketing campaigns, and an overview of Indro's new brand direction
- Lunch will be served from 11.45am, in takeaway packs for your convenience to collect on your way into the session.

**Location:** Event Cinemas, Level 4

**RSVP:** Is essential by **Wednesday 20 April** to [marketing.indooroopilly@ampcapital.com](mailto:marketing.indooroopilly@ampcapital.com) – this is a great opportunity to invite your regional managers who might find the session relevant. If you have any dietary requirements, please add this information to your RSVP.
