

CENTRE IMPROVEMENT WORKS UPDATE

PROJECT UPDATE | CHANDELIER VOID

The Chandelier Void (on Level 2 opposite Mecca Maxima) is the next VT project to be undertaken as part of the overall centre improvement works program. This project is scheduled to commence in January 2021.

This project aims to provide direct access between Level 2 and Level 3. It will serve as a focal point incorporating a water feature and stylish seating areas for our customers to meet and rest.

CENTRE IMPROVEMENT WORKS UPDATE

COMMENCING

The contractor has now been appointed for this project and works are estimated to commence in January 2021.

COMPLETION

Estimated completion of this project is April 2021.

CONSTRUCTION

While the works are underway there will be some hoardings around the voids. These will be themed with directional messaging and an overview of the project to inform customers of what's to come. Most of these works will be undertaken at night/after trade. Any retailer who is directly impacted has been communicated with.

As always, should you have any questions or concerns regarding this project, or any aspect of the centre improvement works program, please call the 24-hour hotline on (07) 3327 2828.

CENTRE IMPROVEMENT WORKS UPDATE

PROJECT UPDATE | AMBIENCE UPGRADE PROJECT

The ambience upgrade project has now reached completion. The western mall features new timber batten detail in the voids and fresh LED strip lighting. There is also a new barrisol lighting feature in the cross-mall near Mecca Maxima, which can display numerous colour programs for special events.
