## **AUTOMALL WEST OPENING 19 APRIL**

It's finally here! Automall West is set to open next Tuesday 19 April. It's a very exciting time for Indooroopilly Shopping Centre as this will be the first of its kind in Australia.

Located on Level 3, Automall West is set to transform the experience of buying a new car, with specially trained staff, and a space for customers to enjoy, without the pressure to buy. The fit out will include a children's playground and café, and we expect it to bring in customers from beyond our main trade area.

The official grand opening event will take place Saturday 23 April with media expected throughout the week leading up to this date. We encourage everyone to pop into the new space and meet the team to welcome them to Indro.
