## **LOADING DOCK 4C: NEW COMPACTORS AND TEMPORARY CLOSURE**

**\*UPDATED DATES\***

Dear Retail Partner,

We are pleased to announce we have confirmed dates for the upgrade of waste equipment within Loading Dock 4C. By transitioning away from rear lift bins, the Centre will be able to reduce costs for waste collection and further improve on our monthly recycling targets.

### **LOADING DOCK CLOSURE**

Loading Dock 4C will be closed for the duration of the install so please make note of timings below and ensure your staff are briefed of the temporary change in processes. See dates below of closure.

Wednesday 20<sup>th</sup> April 2022

Thursday 21<sup>st</sup> April 2022

### **LOCATION OF LOADING DOCK**

All tenants that utilise Loading Dock 4C (located between Kitten D'Amour and Jo Mercer on Level 2) will be required to dispose of waste and receive deliveries from alternative loading docks that have been highlighted within the site plan provided below.

### **ALTERNATIVE DELIVERY AND WASTE LOCATIONS**

During the closure of Loading Dock 4C, please use the alternatives below.

Loading Dock 8 – Accessible via back of house lifts behind H&M

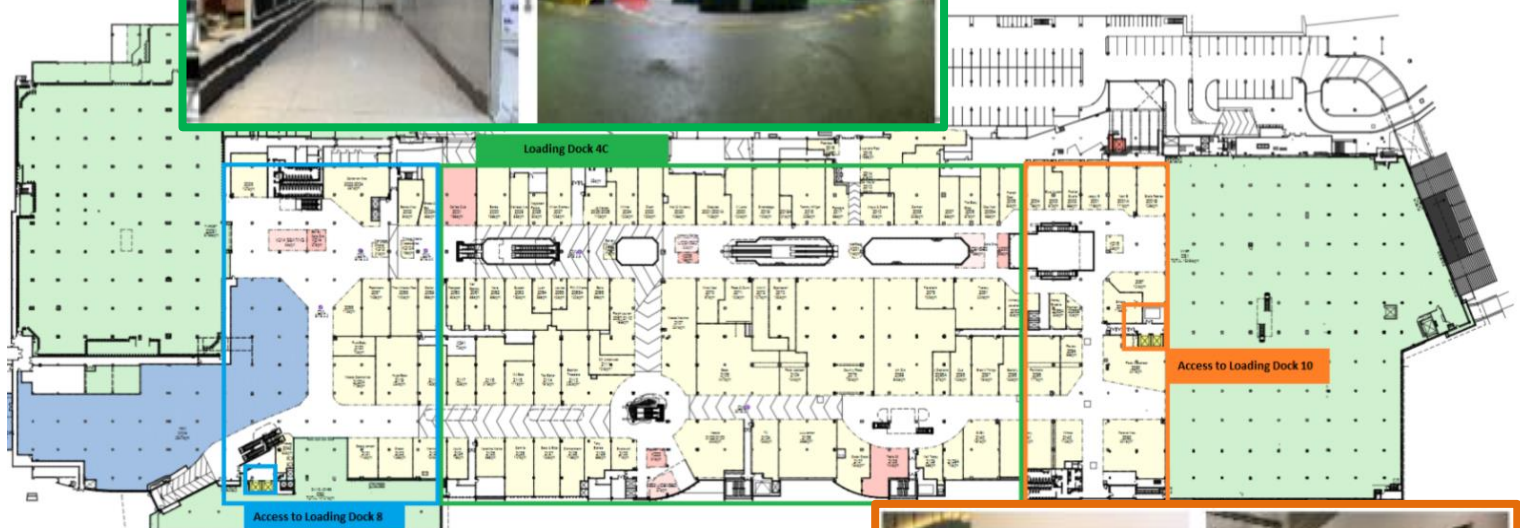

Loading Dock 10 – Accessible via back of house lifts at Myer

See map on the following page for reference.

## COMPACTOR TRAINING

The installation of the new compactors will result in the transition away from rear lift bins to promote waste disposal via the rebated compactor systems. As such, **all tenants that have not used the existing compactors before will be required to complete a quick training session** in Loading Dock 4C. Training will be provided on Friday 22<sup>nd</sup> April 2022, no booking required – just make your way to Loading Dock 4C and see the staff member at the compactor.
